

Your Donation to Blindaid Africa

Providing the tools for learning and living for blind young people in Africa

Blindaid Africa continually needs donations so that it can continue to assist blind young Africans to participate actively and effectively in the educational opportunities available in their own countries. We do not believe in setting minimum donation amounts but can say that about £6 (\$10) per blind student enables us to equip a school with a range of (mainly secondhand) equipment including portable manual typewriters, radio cassette recorders, blank tapes and headphones. We also supply educational audio books and cassette tape copying equipment, as well as recreational, mobility and sports equipment.

One of the best ways for you to assist us financially is to transfer funds directly to our bank account, either as a single payment or a monthly or quarterly standing order. Our bank account details are:

Bank: Lloyds TSB UK Bank Sort Code 30-95-57
 Account Name: Blindaid Africa Account Number: 00401980
 IBAN Code: GB62 LOYD 3095 5700 4019 80
